

- sticky -

you are presented with a Chupa Chup

**it is unwrapped with some awkwardness
because the wrapper is sticky
and sticking to the sweet**

**with the wrapper discarded
you hold it by its plastic stick**

**you put the sweet in your mouth
and you suck it**

after some time

**you put the sweet into the palm of your hand
close your fingers around it
open and close them several times
then stop**

when you feel like it

**throw the sweet on the floor
and cry**
