

- what most he should dislike -

two glass jars

**have been placed
next to each other
on a plinth**

**one is larger
containing two live butterflies
covered at the top with gauze
held in place
with a rubber band**

**the other is smaller
containing stainless steel pins
wrapped around it
held in place with a rubber band
is a printed note that reads**

**WHAT MOST HE SHOULD DISLIKE SEEMS PLEASANT
TO HIM; WHAT LIKE, OFFENSIVE**

King Lear Act IV, Scene 2, Oswald.
